

In accordance with the Executive Order 2009-22, the Michigan Department of Community Health (MDCH) eliminated certain covered service benefits for Medicaid beneficiaries age 21 and older, and implemented program/fee reductions effective for dates of service on and after July 1, 2009. Currently claims that are affected by this Executive Order are denying incorrectly in CHAMPS. After the issue is resolved, MDCH will recycle all of the affected claims so that services are properly adjudicated. Please contact the Provider Inquiry at 1-800-292-2550 regarding cash flow concerns. For more information regarding the programs and services affected by Executive Order 2009-22, please refer to MSA Bulletin 09-28
