

DPAC Full Membership Meeting
October 5, 2009, 10:00 a.m. - 4:30 p.m., Registration begins at 9:30
New Member Orientation begins at 9:00
Kellogg Conference Center, East Lansing, MI
Lincoln Room

Meeting Objectives:

- Educate members on the group visit model and implementation of the Diabetes Group Visit program in the Greater Flint area. Participants will be able to list at least three positive impacts of the Group Visit model of care for diabetes.
- Inform members of a pilot project being conducted with the U of M System to address the consumer costs of diabetes care by waiving co-pays for medicines related to diabetes and other consumer cost reduction efforts.
- Present an overview of Patient-Centered Medical Home concept and initiatives underway in Michigan.
- Provide resources related on the economic burden of diabetes for consumers, businesses, and the State of Michigan.
- Update membership on MDCH Diabetes Prevention and Control Program activities and how they may impact DPAC activities.
- Provide workgroups/committees time to meet in-person and advance their objectives.
- Report on workgroup activities and progress toward implementation of objectives.
- Provide an opportunity for new members, and returning members who are interested in a review, to receive an orientation to DPAC and its workgroups.
